Yes, I know! There's been a long silence here. However, I had an e mail from Micha, who has a Refuge near Aix-en-Provence called ' Belle Terre Cent Pas'. Micha has some 80 dogs needing homes! I feel immensely privileged to know this Lady, who has devoted her life to the care of abandoned animals.

Micha is aware of my interest and work in helping Dogs who have had abusive treatment in their past life. Apparently ,Tarzan has been busy alerting her to another litle Soul ...currently in Spain, awaiting transfer to France.

He will arrive at the end of the month and then I will receive some more information about him, on which I will base my decision. SO....Watch this space!
